

"You can't cure it, if you don't know the cause."

You, who attend Mass and so receive this Bulletin, know the spiritual, emotional and practical benefits of attending Mass at Holy Cross. There are many, though, who do not know, because they don't attend. Many are our friends, our relatives, those we love. We want for them what is good, the peace and comfort and more that we have when and after we attend Mass.

The first step in bringing them to Mass is to find out the reasons they do not attend. "You can't cure it, if you don't know the cause."

Father Gabin cannot speak personally to all those who do attend Mass to find out the reasons. You, who do attend, can act in his stead, be his soldiers and ask why they don't attend and what it would take for them to attend. It would be a good thing you would be doing, doing only for the love of God and those to whom you speak.

When inquiring, don't be judgmental or argumentative and limit your inquiry to Holy Cross. After making your inquiries, please complete the phrases below and drop this insert off in the collection basket or at the business office (610-626-3322) with your findings.

They don't come to Mass at Holy Cross because...

They would come to Mass at Holy Cross, if...

**Again, this is just the first step. When we know the reasons,
We can address them later.**
